Speed Queen
The Proven Performer in Laundry

SPEED QUEEN® LAUNDROMAT & MULTI-HOUSING LAUNDRY SOLUTIONS

Stacked Washer-Extractor/Tumble Dryers

SSA30	SSA50
2×30 lb (14 kg)	2×50 lb (23 kg)

Reimagine Resident Satisfaction

Speed Queen's stacked washer-extractor/tumble dryer is the perfect machine to deliver maximum capacity in a small space, increasing your return on investment per square meter.

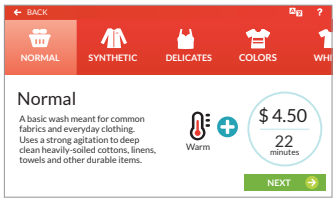
- Designed to produce maximum ROI per square foot for laundry rooms where space is at a premium
- Offers all the benefits of a Speed Queen 30-pound washer-extractor and tumble dryer (50-pound version also available)
- A flush-mounted soap dispenser contributes to the machine's sleek, modern design, that includes stainless steel with chrome accents
- Minimal front fasteners gives quick access to key washer-extractor components to improve serviceability
- Tumble dryer features two cycle modifiers for additional profit potential
- Enhance common laundry space with a larger capacity option and increase revenue opportunities, while leaving plenty of room for smaller machines.
- This Quantum Touch unit has the flexibility to offer a variety of vend options:
  -Electronic Single Slot Coin Drop
  -Mount a single Card Vend Terminal on each pocket
  -Connect with Insights PRO to have Cash less Smart Phone App interface

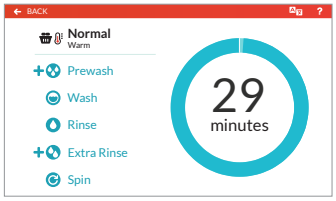
Stacked Washer-Extractor/Tumble Dryers

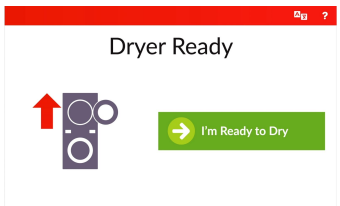
Quantum® Touch Control

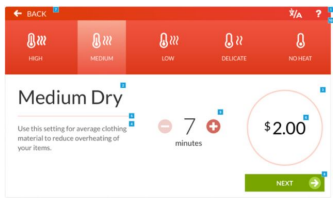
Reimagine your laundry experience with the Speed Queen Quantum Touch display. Clear, easy to use, easy to understand directions with profitable cycle modifiers enhance your residents' experience.

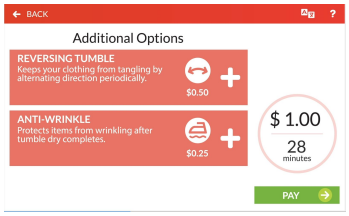
- User-friendly screens with operating instructions built in as part of the control
- Washer-Extractor:
  15 total cycle options, 3 basic cycles, 1 custom cycle,
  3 basic temperature options
- Tumble Dryer:
  5 basic cycles (high, medium, low, delicate, no heat)
- Easy-to-understand cycle modifier prompts will encourage your residents to customize their cycles
- Flexible pricing and additional revenue opportunities with customizable cycle modifiers, time-of-day pricing and lucky cycle options
- 30+ languages available
- On-screen timer so your residents know exactly how much time their cycle will take
- Speed Cycle option for those who want to get in and out quickly
- Flexible Payment Options - Coin, Card, Mobile, Cash

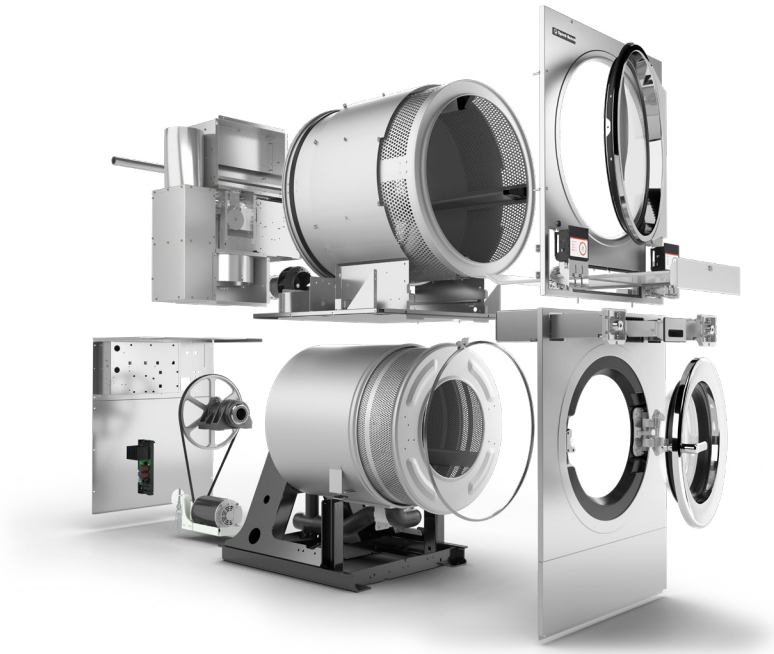












SPEED QUEEN® INSIGHTS READY

Take your business to new levels of efficiency and profitability with advanced analytics and resident use data—all integrated into the same platform with the rest of your business management tools. Know how often each resident visits, which machines they use, how they pay, and use that information to increase your revenue through stronger resident relationships and a more rewarding laundry experience.

SPEED QUEEN® INSIGHTS READY

A profitable Vended Laundry business relies on a combination of factors to grow and stay strong in a competitive market.

Primary factors of - Location - Size of store - Demographics - store layout - functionality and Equipment selection are the foundation of a strong business. But when you want to stand out from the market you need Speed Queen Touch

When you fully set up with the Speed Queen Insights PRO module, you will find a new level of flexibility in with the rest of your business management tools.
